Six directions for the way people arrive, settle in and stay.

01 BUCKHEAD MODERN

02 QUIET SOUTHERN

03 NATURAL RETREAT

A first collection edit for model units, corporate residences and shared amenities. Complete rooms and coordinated groups, drawn from our available PDF and trade libraries.

Four core directions. Two distinct extensions.

A visual recommendation for this first edit, based on room cohesion and account use. Commercial performance has not been measured.

CORE 01

Buckhead Modern

Warm architecture. Sculptural ease.

Contemporary lease-up models / executive residences

CORE 02

Quiet Southern

Familiar forms. A lighter touch.

Transitional lease-up models / relocation residences

CORE 03

Natural Retreat

Soft texture. A grounded palette.

Wellness-led models / longer-stay corporate apartments

CORE 04

The Residence

Tailored comfort. Everyday purpose.

Corporate housing / relocation / furnished executive residences

EXTENSION 05

Gallery Statement

Artful color. A memorable room.

Leasing lounges / clubrooms / signature model moments

EXTENSION 06

Open Air

Outdoor rooms. Shared experiences.

Courtyards / terraces / shared outdoor amenities

CORE 01

Buckhead Modern

Warm architecture. Sculptural ease.

Cream upholstery, substantial tables and quiet geometry create a polished residence with warmth. Use this as the lead direction for contemporary model units and executive apartments.
